Senior Class History

The history of the class of 1949 is so dramatic and colorful that it resembles a play—one of those modern plays that has no regard for the rules of drama. It is hard to classify this drama, as it is so full of comedy, varying situations and, yes, tragedy, so let us call it a "Revue".

The scenes all take place in the high school building, corridors, classrooms, auditorium of Ceres High School. The setting is simple, showing signs of much use.

Act I, shows the arrival of 18 actors. Now anyone knows it would be difficult to fit so many actors into one act of a performance, but that is what had to be done. First the actors assembled in the halls and then after much pushing and shoving, they were herded into a large room and introduced to the leading actor who was already there. His name is "Study" and he appears to be a villain, in every sense of the word. It is evident that he plans to interfere sadly with the enjoyment and leisure of the Freshmen actors.

At the close of Act I, there is a dramatic struggle with "Study's" brother Examination. Most of the Freshmen are a match for Him, and came out victorious in their battle. The curtain now falls on Act I and now comes an intermission of 10 or 12 weeks during which time the Freshmen look forward to Act II when they will be known as Sophomores.

When Act II opens, there is a decided difference in the number who appeared as actors on the stage. A touch of sadness is found in the absence of some who failed in their encounter with Exams, or who for other reasons are not able to take part in the performance. As Sophomores the remaining actors are beginning to show an ease of manners, and a feeling of security that was sadly lacking in Act I. The Actor "Study" still plays the most important part in the act and the Sophomores have learned how to cultivate their friendly help to the extent that they do not so much dread their encounter with this brother, Exam.

Examination had planned a stiff encounter though, and it was only the bravest who survived. It was with a great sense of relief that the actors saw the curtain fall on Act II and they staggered out into the sunshine and spent 8 weeks endeavoring to forget the mighty struggle enacted in their Sophomore Year.

Now, the curtain goes up on Act III. What! the same Actors? Yes, but so changed we hardly recognize them. They have grown in stature and wisdom, they are proud without being haughty; they are grave but not too serious; they are the Juniors. Some are so good at dramatic performance that the directors let us put on a play called, "Aaron Slick from Punkin' Crick". On April 16, 1948 we gave a delightful banquet honoring the Senior Class of '48. Under the excellent sponsorship of "Miss Ruth Crabtree", the banquet made a big success. The villain, "Exam", appears again to meet defeat as the happy Juniors battle through. The curtain falls on Act III, a brave cast which has excelled in many activities. They now go forth to enjoy what leisure they can before Act IV begins.

At last, after a most pleasant intermission, the curtain goes up on Act IV. By this time the cast is now known as Seniors of 1948 and '49.

The actors who showed promise of being stars in the preceding acts have fulfilled that promise and shine brightly. They are as follows—Honor Students: Frances Catron, Mildred Bruce and Nannie Hayton.

Act IV is now drawing to a close and the Seniors this year on April 15 will be guest of the Junior Class at the Junior--Senior Banquet. The Seniors have marshalled their efforts to attack their last enemy--Final Exams. Their attack is well organized and they emerge victorious. "Study" has helped them to master all the "Answers".

Amidst a loud burst of applause the curtain drops for the last time on Act IV. The Seniors have graduated! "Hail to the Class of 1948-'49".

PROLEGY

Time has flown since that sad, yet welcomed day when the Senior Class marched up to receive their diplomas from Mr. J. M. Thomas, who was principal of good old Ceres High. Let's see, that was in 1949 and it is now 1969. Yes, time has flown since then and it seems almost a dream now.

As I sit here, I recall how things used to be and realize that a great change has come over the world and especially the little school located on the banks of North Holston, back in the old Home town, known to us as Ceres. The school has enlarged and GEE! they have that modern gymnasium we pleaded so earnestly for, but didn't get. All of us envy the students now. The school now has a larger library and talking about good chow, try the new little Cafeteria run by Margeurite Cregar. Good work, Margeurite, keep it up.

The Senior Class as a whole is really doing well in the vocational field. Marvin Cox, is now owner of the Ceres Airport and he has as his assistant, Jimmie Wilson.

Frances Catron seems to be making a great success as a secretary. Hey! not so close to the boss.

Mildred Bruce has just finished spanking 2 children from the Commercial Department. From all reports she must be teaching them something.

Nannie Hayton has made a real success at nursing. She is now head nurse at the Kegly Hospital located at Bland, Virginia.

Yes, the class of '49 has made a success and I'm sure each member owes his success to C. H.S. and the teachers who worked patiently with them.

Crigger Draws 2 Year Sentence In Circuit Court

Newberry Brothers Indicted on Felony

Will Be Tried Separately; April 25 Trial Date

In Circuit Court here Tuesday, two felony indictments were returned by the grand jury: Commonwealth vs. Ralph A. Newberry and Samuel Newberry, joint indictments; Commonwealth vs. Randolph Crigger.

Crigger, charged with breaking and entering Ceres High School and with the theft of some money, pleaded guilty before the Court and was sentenced to serve two years in the State penitentiary. Crigger was recently convicted in Trial Justice Court in Wythe County and was serving a four months jail sentence, when he was indicted at this term.

JUNIOR CLASS HISTORY

On September 1, 1946 we as Freshmen entered the halls of old Ceres High. The teachers were to suffer acute behavior that year. We kept up a fair existence despite the tests and exams.

We gave Mrs. Allen a hard time that year, but for that fact, they all did. There were thirty of us and we seldom saw a day pass without a mishap, such as bad grades or a test. But we existed for the nine-long months and to our surprise our teachers did, too.

In September 1947, we again tramped in and camped within the halls of old Ceres. But along the way we dropped these wonderful students: Lorraine Edwards, who chose the name of Hubble to the name of Sophomore. Matrimony claimed her. Jack Thompson, Boyd and Pete Tweatt chose home life and chores on the farm rather than come to school. Later Andrew Cregar started to do farm work, too. Mary Spangler and Georgia Fortner decided there were interests elsewhere, so there again we struck names from our roll. Alma Kegley decided she liked another school better, so we let her go. Rich Valley claims her now. To our sorrow, Nora Hayton, Felicia Atkins, Glenna Cregar and Donald Barger decided to tarry behind us. The rest of us passed on into the bliss of the Big Junior Class!

"THE PAST IS GONE, BUT THE FUTURE IS STILL OUR OWN." With this as our motto we started the Junior year of our career. This year we lost Donald Hanshew to the farm life that seems so attractive. To our number we were lucky enough to add four from the past Junior Class; namely, Eddie Hubble, Owen King, Kenneth Tibbs and Billy Lindamood. We are glad to have them with us and hope they will be Seniors with us next year. We do admire them because they decided to stay in school with us.

We are trying to achieve those things our teachers tell us we must have in order to be Juniors. We have to read our motto often in order to keep us on the straight and narrow path. We even wonder if sometimes it is straight? We shall leave that for someone else to decide. Our Junior year is drawing to a close and we have the same number, so guess we have accomplished one goal:

UNITED WE STAND, DIVIDED WE FALL

Get to work, Boys

Officers

CHS

F. F. A.

This being the Tenth Anniversary of F.F.A. at Ceres High School the members were very much interested in carrying out a good program of work. Only by hard work and the whole-hearted co-operation of each boy is the Chapter able to accomplish its activities. For the year 1948-'49 there is an enrollment of 32, which are carrying the following projects: 733 head of poultry, 91 head of livestock and 95½ acres of crops. In addition to this the boys are carrying 79 improvement projects, 93 supplementary farm jobs and 100% have a forestry project.

Leadership is one of the activities in F.F.A. that is stressed to a great extent. During the year Raymond Thompson received the State Farmer Degree, Mr. George H. Perry, Sr. received the Honorary State Farmer Degree, and George H. Perry, Jr. was elected State Reporter. This was the first time in the history of the Virginia Association that both Father and Son were honored at the same F.F.A. rally.

The Smyth-Wythe-Bland Federation honored Jimmie Wilson by electing him as its President and also as delegate of the federation to the National F.F.A. Convention in Kansas City this past November.

The Chapter has taken an active part in Federation Activities:

1. Sponsored a poultry judging contest.
2. Entered a team in the basketball tournament.
3. Sent representatives to the Forestry judging contest.
4. Attended the Ping Pong Tournament.
5. Participated in livestock judging contest and track meet.

Some accomplishments of the Chapter are:

1. Sponsored Father and Son Banquet.
2. Sponsored a movie, sold garden seed and help a Chapter Sweet-heart contest to raise funds.
3. Held F.H.A.-F.F.A. picnic.
4. Took trout fishing trip.
5. Used ceremonies and parliamentary procedures in conducting all meetings.

CHS

SCOUTS OF AMERICA

Troop 143
Ceres, Virginia

"The purpose of the Boy Scouts of America is to promote through organization and co-operation with other agencies, the ability of boys to do things for themselves and others; to train them in Scoutcraft; to teach them patriotism, courage, self-reliance, and kindred virtues by placing emphasis upon the Scout Oath and Law for character development, citizenship training, and physical fitness."

"The Boy Scouts of America maintains that no boy can grow into the best kind of citizen without recognizing his obligation to God." Its constitution points out that "the recognition of God as the ruling and leading power of the universe, and the grateful acknowledgement of His favors and blessings, are necessary to the best type of citizenship, and are wholesome precepts in the education of the growing boy."

MONOGRAM CLUB

The Ceres Monogram Club was organized for the following purposes:

1. To recognize the services of boys and girls carrying on the sports program of the school.
2. To promote among its members good sportsmanship.
3. To inspire each other to higher effort.
4. To give trinkets to graduating seniors.
5. To give letters to those earning them.

Any boy or girl earning a letter in the school's sports program is eligible for membership in the club. Their emblem is the WILDCAT.

The following members organized the club:

Mildred Bruce	Ray Davis
Frances Catron	Eddie Hubble
Nannie Hayton	Marvin Cox

1961

S.C.A.

Beta Club

The Beta Club is a non-secret, leadership service club for high school students of America.

The purpose of the Beta Club is to encourage effort, to promote character, to stimulate achievement, to cultivate leadership qualities, to reward merit, and to encourage and assist students to continue their education after high school graduation.

The Ceres Beta Club welcomed 10 new members this year, namely; Betty Groseclose, Betty Jo Smith, Grace Neel, Juanita Tibbs, Lillian Crabtree, Jane Crabtree, Della Mae Hounshell, Ray Davis, Billy Umbarger, and Roscoe Hubble.

We set up the following objectives for 1948-1949;

1. Make a Club handbook
2. Have monthly meetings
3. Have a social each month
4. Purchase a gift for the school
5. Assist in the library
6. Assist in the office
7. Form a Beta Club Union
8. Remodel stage
9. Purchase Beta Club Banner
10. Provide recreation during the winter months

GIRL'S BASKETBALL

The girl's basketball season was rated as one of the most successful in the history of Ceres High School. Within a week we were both County and District Champions.

On November 15th, Ceres met Burkes Garden in the Bland Gymnasium defeating them in the semi-finals for district championship. Margeurite Cregar starred in the scoring column with 27 points. Winning this game gave us a chance to play on Saturday night. When Saturday arrived we found our opponent to be Newport From Giles County. We took this game with ease by a score of 32 to 13. You can imagine our happy feelings to think we were "Tops" over all teams of District S, Third Division. This was the highest possible attainment for girls in basketball.

On November 19th in the County Tournament we were lucky once more. This left us to play Bland on Saturday night for the championship. This was one of those games you read about but seldom see. We went in the game with determination to come out victoriously. With that streak of "lightning", Ethel Cregar; "high jumping", Felicia Atkins; and "long reacher", Justine Hanshew, the Bland forwards were unable to get ahead. Peggy Schufflebarger, Mildred Bruce, Estelle Lambert and Nannie Hayton, did their part. Betty Groseclose kept feeding the ball to Frances Catron, and Margeurite Cregar, who rolled up the score with hardly a miss. This time Cregar collected 34 points. When the last whistle blew Ceres Girls had 2 points in the lead, winning 52-54.

Thanks to Miss Crabtree, our coach, who worked with us, helping to bring victory for the glory of the team and good "Ole C.H.S."

The team regrets very much the loss of the four Senior Girls, Mildred Bruce, Frances Catron, Margeurite Cregar and Nannie Louise Hayton.

The season ended with a party during which medals and letters were awarded to outstanding players.
